Background: Minh is our licensed esthetician who specializes in facials and is also adept in waxing, manicures and pedicures, semi-permanent eyelash extensions, and permanent make-up. With more than 10 years of work experience at reputable spas and salons, she is well trained and knowledgeable in the latest beauty techniques and beauty technologies. She is also certified in various lines of skincare products.

Minh is an expert in body waxing, especially with “Brazilian”. The waxing process is quick and more pleasant under her skillful hands. She is passionate about esthetics. She takes her time to make clients feel comfortable and ensure that she provides the best services to those under her care. Don’t hesitate to set up a skincare consultation with her to help answer any questions you may have.

Sanitation: Your health is very important to us. Lotus follows procedures and best practices outlined by the State of Indiana and the Board of Cosmetology. We clean, disinfect and sanitize the equipment, tools, and implements after each client use. Cleaned implements are stored in hospital grade sanitary pouches and sterilizers to avoid contamination. We take pride in our clean, orderly and neat environment. Most importantly, Lotus does not have strong chemical odors of a “typical” nail salon.

Complimentary: We provide water, tea, and coffee for your enjoyment.

Cancellation: We require a two-hour cancellation notice. A No-Show appointment will be noted and your future booking will not be accepted. Parties of 3+ people must call in to book an appointment.

Skin Products: Cosmedix, GM Collins, Jan Marini, SkinCeuticals, Yonka

Gratuity: A 15% Gratuity is added to service price at checkout for parties of 5 or more people.

FACIALS:

Skin extraction is included as part of service for all facials by request. All facials, with the exception of a “Refresher” massage, will include decollate and scalp massages.

Refresher: For those who need a quick pick-me-up refresher and a little relaxation as well, we offer this amazingly brisk treatment that will revitalize your tired, stressed skin. **\$35/30 Min**

European: This basic facial is ideal for a first time experience. We use a deep cleansing enzyme product to exfoliate, follow by a hydrating mask to soften and revitalize, and finally, a moisturizer to provide sun protection to your skin. This facial is suitable for any skin types that need improved skin appearance and complexion. **\$55/60 Min**

Vitamin C: The infusion of Vitamin C perks up your skin, helps to fight free radicals, stimulates collagen production, adds firmness to your skin, and helps to reduce fine lines on your face. The immediate results give your skin a healthy, even complexion and restore your skin’s natural tone. **\$75/60 Min**

Hydro Attention: This facial is perfect for smooth supple skins that require intensive hydrating needs. We use an enzyme or gentle microdermabrasion to exfoliate the skin, followed by a paraffin mask to allow moisture to penetrate deep into the skin and to help restore your natural complexions. Along with the hydrating serum, an environment protective sunscreen will be applied. You will leave with smooth and glowing skin. **\$65/60 Min**

Hot Rock: Pamper yourself by letting all the stress and tensions melt away with our sophisticated hot rocks treatment. We use hot rocks to apply direct pressure to affected facial areas to stimulate circulation, and to help relax and heal tired and weary muscles caused by chewing, talking, and repetitive facial expressions. It is highly recommended for someone who has TMJs (Temporomandibular Joint), headaches, or sinus congestions. **\$85/60 Min**

Microdermabrasion: This is a chemical and crystal free treatment that uses synthetic diamond crystal to help stimulate cell growth, enlarge pores, and remove the outermost layers of the dead skin cells, post-acne scars, and hyper-pigmentations. It also helps to reduce fine lines and wrinkles from your face. **\$55/30 Min**

Glycolic / AHA: This application deeply exfoliates your skin, cleans and clears clogged pores, stimulates the lazy cells under the dermis layer of your skin, and helps to diminish signs of aging on your face to give you a youthful look and feel. **\$55/30 Min**

Decongestion Facial: This facial can treat acne and help to decongest skin pores that are clogged by dirt, dust, and other environmental factors. It cleanses and detoxifies facial skins, and is suitable for all skin types. The treatment provides a healthy and rejuvenated skin complexions. **\$65/60 Min**

Gentlemen Facial: This facial treatment addresses the common needs and skin conditions of men. It is designed to calm razor burns, soothe environmental exposures and clarify skin impurities. The treatment helps to revitalize your skin for a more refreshed and stress-free appearance. **\$65/60 Min**

NAIL SERVICES:

Classic Manicure: Enjoy our featured manicure. We clean, prep, and trim your finger nails and cuticles, then polish your nails. Finish off with a relaxing hand massage using a special hydrating oil to create a luxurious feeling.
